

PSALM 86

Glorify God Forever

Small Group Questions — The Week of August 22, 2021

Sermon Overview: In Psalm 86, David declares that we will glorify His Name forever. What does this mean exactly? Is glory a word we really understand or a religious term we simply have gotten used to? David also asked God to do something, “Gladden the soul of Your servant.” What does it mean to have a glad soul? Is a glad soul connected to the glory of God? Do you have a glad soul? I look forward to digging into this Psalm to understand more fully how a glad soul brings glory to God. Join us Sunday as we connect to Christ and one another in worship.
